

## ***Service Funding Initiative***

*Rational: Grain of Wheat Church Community desires to encourage and support all people to serve in many ways outside our own community. We recognize that one arena where this can happen is in a variety of service projects. To this end we hope to assist and encourage those among us to pursue challenging service projects by providing modest financial assistance.*

**Fund Parameters (Effective for GoW 2010 budget):**

**Total Monies in Fund: \$1000 youth, \$1000 adult**

**Maximum designation per applicant will not exceed 50% of the fund budget.**

Process:

1. Fill out Application and submit to the Leadership Team.
2. Send Organizational Reference for completion and submission to Leadership Team.
3. Once both forms are received the Leadership team will discern together as to the applicants request.
4. If application is rejected the Leadership team will inform applicant with reasonable rationale.
5. If application in accepted Leadership team will inform applicant of acceptance and amount designated.
6. If applicant desires a community companion the Leadership team will assist them in recruitment.
7. Communication of service project to community will occur from applicant:
  - At least once before service project.
  - At least once during service project.
  - At least once after service project.

## *Service Funding Application:*
